IFA SILASHI ETAFA

Software Engineering Student

Addis Ababa, Ethiopia | Phone: 0951131735 | Email: efaselashi@gmail.com | GitHub: github.com/efaselashi

PROFESSIONAL SUMMARY

Motivated third-year Software Engineering student at Addis Ababa Science and Technology University (AASTU), interested in software development and problem-solving. Developing programming skills in C++, Java, JavaScript, HTML, and React. Eager to build practical applications, learn modern technologies, and strengthen technical and teamwork skills through academic and personal projects.

EDUCATION

Addis Ababa Science and Technology University (AASTU)
Bachelor of Science in Software Engineering | Third-year student
Addis Ababa, Ethiopia
Relevant coursework: Data Structures and Algorithms, Computer Architecture, Software Analysis, Java Programming, Internet Programming, and Database Systems.

TECHNICAL SKILLS

Programming	C++, Java, JavaScript
Web development	HTML, React.js, basic CSS
Databases	MySQL, MongoDB
Tools	Visual Studio Code, Git, GitHub, MySQL Workbench

ACADEMIC AND PRACTICE PROJECTS

Student Information Application — Practiced building reusable React components; used props and useState to manage student information, buttons, and user input.

Expense Tracker — Practiced recording and managing expenses with JavaScript and browser localStorage.

Library Management Application — Practiced managing book records, including adding, editing, borrowing, and returning books, using JavaScript and localStorage.

Cultural Heritage Tour Guide System – Academic Group Project — Participated in planning a system for presenting Ethiopian cultural and historical sites; contributed to requirements analysis and project design with a team.

PERSONAL SKILLS

Problem-solving • Teamwork and collaboration • Self-learning • Communication • Time management • Willingness to learn new technologies

LANGUAGES

English – Advanced | Afaan Oromo – Advanced | Amharic – Advanced
